All Members hereby agree to abide by these Rules (defined below) as such Rules apply to a Member's use of the BAREIS Multiple Listing Service system.

NOTICE

These MLS Rules (these "Rules") of the Bay Area Real Estate Information Services, Inc., a California nonprofit mutual benefit corporation ("BAREIS"), are solely for the use and benefit of BAREIS and the Members of BAREIS and licensees thereof with BAREIS' consent. These Rules govern only the relationship among the Members and BAREIS regarding the BAREIS MLS® multiple listing service operated and federally copyrighted by BAREIS (the "MLS") and used by its Members and certain licensors or licensees. These Rules set forth, among other things, operating requirements necessary for the creation and maintenance of BAREIS' data. Except as provided in Rule 17.3, nothing in these Rules is intended to confer any rights, benefits, or remedies on any Persons other than BAREIS itself and the Members of BAREIS, its licensees, and their respective successors and permitted assigns. These Rules do not, are not intended to, and shall not be deemed to establish professional standards or models for the conduct of the real estate brokerage business with the public by the Members of BAREIS or others.

1 AUTHORITY

BAREIS shall maintain for the use of its Members a real estate information service that shall be subject to the Amended and Restated Bylaws of Bay Area Real Estate Information Services, Inc. (the "Bylaws"), as further amended from time to time, and these Rules as may also be amended from time to time by the Board of Directors (the "Board").

2 PURPOSE

BAREIS maintains a Multiple Listing Service ("MLS" or "the MLS") which has been copyrighted to the extent permitted by the copyright laws of the United States and is entitled to protection thereunder, that is a means by which: (a) authorized Broker Participants establish legal relationships with other Broker Participants by making blanket unilateral contractual offers of compensation and cooperation to other Broker Participants; (b) information is accumulated and disseminated to enable authorized Participants to prepare appraisals and other valuations of real property; (c) Participants engaging in real estate appraisal contribute to common databases; and (d) the orderly correlation and dissemination of listing information among the Participants is facilitated so that they may better serve their Clients and customers. BAREIS does not regulate commissions, commission splits, or the business models of its Members. Participants and Subscribers shall use the MLS solely for the purpose of selling, listing, leasing, marketing, valuing, and appraising real estate, strictly as permitted by the Bylaws and these Rules. Except as expressly provided in the Bylaws and these Rules, Participants, and Subscribers shall not copy, create derivative works of, distribute, perform, or display the MLS or any part of it.

3 MLS SERVICES

BAREIS makes no warranties that the MLS will be available at all times. BAREIS may, but is not required to, modify the MLS, including removing information and making additional information available and adding and removing system functions. Certain products and services made available in conjunction with the MLS may be subject to other agreements and may require payment of additional fees.

4 OWNERSHIP OF THE MLS DATA AND COPYRIGHTS

4.1 Authority to Place Listings in the MLS Data.

By filing a listing with BAREIS: (i) the Listing Broker represents that he, she, or it has been authorized by the Seller to list the subject real property in the MLS; and (ii) the Listing Broker thereby grants to BAREIS an irrevocable, perpetual, royalty-free license (with right to sublicense) to use, copy and publish such listing and information relating to the listing, including all Media therein (but subject to Rule 4.4), in the MLS Data, and to report information and other data about the sale, price, and terms of the listing, as well as in other information sources (the “Listing License”). In addition, the Listing Broker shall and shall cause any Subscriber or Administrative User who has prepared or submitted a listing on the Listing Broker’s behalf or as the Listing Broker’s agent to, irrevocably and unconditionally assign any copyright in the selection, coordination, and arrangement created or conceived by such Person in connection with such listing to BAREIS.

4.2 Copyrights; Ownership of the MLS Data.

The license granted pursuant to Section 4.1 includes the exclusive right (i) to register the MLS Data, including such listing and information and all Media therein, with the United States Copyright Office, to the extent that it may be registered under the copyright laws of the United States; (ii) to assign or license such MLS Data, including such listing and information and all Media therein (but subject to Rule 4.4) and such copyrights to others, and (iii) to protect and defend such MLS Data and the copyrighted listing information and Media against any infringement thereof. BAREIS is the exclusive owner of the MLS Data compilation and each original aspect of the MLS Data that is or has been created, conceived, or crafted by BAREIS as well as the selection, coordination, and arrangement of the MLS Data that has been assigned to BAREIS by the Listing Broker (or such Listing Broker’s Administrative User) as referred to in Rule 4.1. All right, title, and interest in such MLS Data and copyrights registered by BAREIS shall at all times be owned by and remain vested exclusively in BAREIS and its assignees and licensees.

4.3 License to Access the MLS Data.

Through maintaining active membership in BAREIS, each Member is granted a non-exclusive, non-transferable license to access the MLS Data, without the right to sublicense. The license granted to an active Member provides only the right to use the MLS Data in accordance with these Rules and the Bylaws. In no event shall a Member disassemble, reassemble, decompile, recompile, reverse engineer, or in any other manner seek to modify, misappropriate, misuse, or translate any software (whether source code or object code) incorporated in the MLS Data, or that is used to manage, manipulate or display the MLS Data or any aspect thereof, nor attempt to do any of the foregoing, nor permit or assist any other Person to undertake or engage in any such activities.

4.4 Intellectual Property Rights.

Except as provided by Rule 14.4, Members shall not use Media from another listing without the prior written permission of the previous Listing Broker or other party that has the legal right to reproduce and display the Media.

- a) Members shall not remove or alter any metadata, copyright, or electronic management information (as defined in § 17 USC 1201(c)) or other markings indicating another Person’s intellectual property rights in any such Media.

- b) By submitting Media to the MLS, the Listing Broker represents and warrants that he or she either owns the right to reproduce, display, and include such Media in the MLS copyrighted compilation per Section 2.1(d) of the Bylaws, or has procured such rights from the appropriate party and that such Listing Broker has the authority to grant and hereby does grant to BAREIS the irrevocable right and license (i) to reproduce, display, and include such Media in the MLS copyrighted compilation and (ii) to sublicense and grant the right to reproduce and display the Media to BAREIS' Participants, Subscribers and Members and to other Persons as required or permitted by the Bylaws or these Rules. To the extent that the Listing Broker does not possess the rights to permit the foregoing assignment, the Listing Broker hereby grants to BAREIS a non-exclusive, perpetual, worldwide, transferable, royalty-free license to reproduce, prepare derivative works of, distribute, display, perform and license (including sublicenses through multiple tiers) the Listing Broker, Participant or Subscriber contribution.

5 TYPES OF MEMBERS AND MEMBERSHIP REQUIREMENTS

5.1 Member Requirements.

All BAREIS Members (as defined in the Bylaws) shall:

Abusive, threatening, or harassing behavior towards administrators or employees is not acceptable.

5.2 Participant.

A "Participant" is any Member that continues to meet all of the requirements of either a Broker Participant or an Appraiser Participant as defined below:

5.2.1 Broker Participant.

A "Broker Participant" is a Person who holds a valid California Department of Real Estate broker license (a "Real Estate Broker" or "Broker") and is either a sole proprietor or is a principal, partner, corporate officer, or branch manager acting on behalf of a business entity and is authorized to offer and accept compensation in the capacity of a Real Estate Broker.

5.2.2 Appraiser Participant.

An “Appraiser Participant” is a Person who is licensed as a real estate appraiser by the California Bureau of Real Estate Appraisers or certified by the California State Board of Equalization and who is either a sole proprietor or is a principal, partner, corporate officer, or branch manager acting on behalf of a business entity for or through which his or her services are provided.

5.3 Subscriber.

A “Subscriber” is a Person who meets the requirements of either a Real Estate Subscriber or Appraiser Subscriber as defined below:

5.3.1 Real Estate Subscriber.

A “Real Estate Subscriber” is a California Department of Real Estate Licensee or broker who is employed by or affiliated as an independent contractor with a Broker Participant.

5.3.2 Appraiser Subscriber.

An “Appraiser Subscriber” is a Person who is licensed as a real estate appraiser by the California Bureau of Real Estate Appraisers or certified by the California State Board of Equalization and who is acting for an Appraiser Participant or a Broker Participant.

5.4 Administrative User.

An “Administrative User” is an individual under the direct supervision of a Participant or Subscriber who performs only administrative and clerical tasks that do not require a real estate license or an appraiser’s license or certificate. Administrative Users are assigned unique and individual administrative access to the MLS Data. Each Participant shall provide BAREIS with a list of all Administrative Users employed by such Participant and his or her Subscribers and shall notify BAREIS of any changes, additions, or deletions from the list within three Days. Administrative Users without an active real estate license or appraiser’s license or certificate are subject to a special dues rate established by the Board. Administrative Users with an active real estate license or appraiser’s license or certificate are billed at the Subscriber rate. Administrative Users shall not provide any MLS Data to Persons other than the Participant or the Subscriber under whom the Administrative User is registered.

5.5 Limitations on Transfer of Membership.

As authorized by the Board, membership in BAREIS is on an individual basis and shall not be transferred or sold to any other individual, corporation, or business entity. Any reimbursement of the participation fee is a matter to be negotiated by those transferring a business or determined as a matter of contract within the business entity. However, provided the first Participant consents, BAREIS shall allow a business entity to designate a different Person within the business entity as a Participant without requiring the payment of an additional participation fee. BAREIS may charge an administrative fee for reassigning Participants within a business entity.

6 BAREIS FEES AND CHARGES

6.1 Service Fees and Charges.

The Board shall set, and may amend from time to time, the following fees and charges, as listed in Exhibit A-1:

6.1.1 Initial Application Fee.

An applicant for Participant or Subscriber shall pay an initial application fee.

6.1.2 User Fee.

Each Participant and Subscriber shall pay a user fee.

6.1.6 Amendment of Fees.

BAREIS may amend the schedule of fees at any time at its sole discretion. BAREIS shall provide written notice to its Members at least 30 days in advance of the effective date of any fee increase. If a Member objects to the increase, the Member may terminate its membership in BAREIS by written notice to BAREIS at any time before the effective date of the increase.

6.2 Suspension of BAREIS Membership and MLS Privileges for Failure to Pay Service Fees, Fines, or Charges.

Following 15 Days' written notice of the delinquency, a Member's BAREIS membership and MLS Privileges shall be suspended, for failure to pay any amounts due within 30 Days following the date due, until the amounts due are paid in full, including a delinquency fee. Failure to pay service or delinquency fees, fines, or charges for one year shall result in Termination of membership, and reinstatement of BAREIS membership and MLS Privileges shall require application as a new Member. When any Member is suspended or terminated, including by reason of Expulsion or resignation, the Member shall immediately return all materials relating to BAREIS, including all forms and other supplies, within 48 hours after such Suspension or Termination. BAREIS need not refund or prorate fees in the event of Suspension or Termination of a Member's BAREIS membership unless these Rules or the Bylaws provide otherwise. Initiation fees, if any, are not refundable.

6.3 Denied Application.

In the event an application as a Participant on the MLS is rejected by BAREIS, the applicant shall be promptly notified in writing of the reason for the rejection; and shall have the right to respond in writing to the Board, or to request a hearing in accordance with the *California*

Code of Ethics and Arbitration Manual. In the event a Subscriber application is rejected, only the Subscriber's Participant shall have the right to respond in writing to the Board, or to request a hearing.

7 NOTIFICATION

7.1 Notice.

Whenever notice of any matter is required to be given to BAREIS, it shall be given in writing, within the time specified, by mail, email, or facsimile.

7.2 Notification of California Department of Real Estate ("DRE") or California Bureau of Real Estate Appraisers ("BREA") Action.

Members against whom final action has been taken by the DRE or the BREA shall notify BAREIS within 24 hours of such action, including any final decisions restricting, suspending, or revoking the real estate license or appraiser's license or certificate of the Member, or of the business entity under which such Member acts. Participants shall notify BAREIS within 24 hours of such action by DRE or BREA with respect to any Real Estate Licensee or Appraiser affiliated with the Participant or the Participant's business entity, or any Real Estate Licensee or Appraiser who was affiliated with the Participant or the Participant's business entity at the time of the underlying act.

7.3 Supervision of Licensees.

The Participant is responsible for ensuring that any non-Member Real Estate Licensee or real estate appraiser in any way affiliated with such Participant shall not access the MLS Data.

In addition to the notification requirements of Rule 7.2, a Participant shall not allow any Subscriber who is engaged in business under the Participant's license and whose license or certificate has been revoked, suspended, or restricted by either the DRE or the BREA, to use the MLS Data in any manner while the DRE or the BREA discipline is in effect, except that the Subscriber may be able to use the MLS Data under a restricted license, provided such use is consistent with and does not violate such licensing restrictions.

7.4 Failure to Prevent Unauthorized Use of the MLS Data.

In the event a Real Estate Licensee, Broker, administrative assistant, or real estate appraiser employed by or affiliated with a Participant is found to be using the MLS Data in violation of these Rules, such Participant shall be subject to fees dating back to the date of the employment or affiliation of the Real Estate Licensee, Broker, administrative assistant or real estate appraiser with the Participant's business entity. Listings associated with non-members who are affiliated with a Broker Participant shall not be included in the MLS Data, and references to a non-member Real Estate Licensee, Broker, administrative assistant, or real estate appraiser shall not be included anywhere in the MLS Data. The Participant also may be subject to any other sanctions that can be imposed for violation of these Rules and ultimately lose access to the MLS Data.

7.5 Violations of the Law.

If a Member commits a felony or a crime involving moral turpitude or violates any real estate law, including the rules and regulations of the California Department of Real Estate or the laws relating to real estate appraisers, the Member shall be in violation of this Rule 7.5. However, a Member shall not be found to have violated this Rule 7.5 unless the Member: (a) has been convicted, adjudged, or otherwise recorded as guilty by a final judgment of any

court of competent jurisdiction of a felony or a crime involving moral turpitude, or (b) it is determined by any court of competent jurisdiction or an official of the State of California authorized to make the determination that the Member violated a provision of California laws governing real estate, or the regulations of the California Real Estate Commissioner.

7.6 Board-Initiated Hearing for Inappropriate Behavior toward Staff or Board.
Upon receiving a complaint of abusive, threatening, or harassing behavior as described in Section 5.1(e), the Board, or a committee of the Board, shall cause the accusation to be investigated and conduct a hearing if necessary. The Board may levy a fine against an offending Member and may suspend or expel the Member from BAREIS membership and MLS Privileges.

8 REGIONAL AND RECIPROCAL AGREEMENTS

8.1 State and Regional Reciprocal Agreements.

The Board may approve and enter into reciprocal state or regional agreements with other MLS organizations to allow their members to place a listing with BAREIS or access to BAREIS in exchange for their providing similar service to Members of BAREIS on such terms and conditions as the Board may approve. In the event agreements are entered into, the participants and subscribers of the other MLS organizations shall be bound by these Rules, and BAREIS Members shall be bound by the rules and regulations of the reciprocating MLS database.

8.2 Special Reciprocal Agreements.

BAREIS has entered into a regional cross-pollination agreement (as amended from time to time, the “Cross Pollination Agreement”) with MetroList®, The San Francisco Association of REALTORS® MLS, Bridge MLS, Contra Costa Association of REALTORS®, Bay East Association of REALTORS®, and MLSListings® in which the MLS listing data of each such organization is displayed in the MLS system of all the organizations. By submitting a listing in the MLS Data, BAREIS members agree to cooperate with members of such organizations participating in the Cross Pollination Agreement for the purpose of selling the listed property and agree that offers of compensation, if any, are made to members of those organizations as they are made to Members pursuant to Section 11. By entering a listing into MetroList®, Members agree to abide by and are bound by the respective rules and regulations of MetroList®

9 LISTING PROCEDURES

9.1 Listings Subject to Rules.

MLS listings may be filed with BAREIS only by Broker Participants. Any listing filed with BAREIS by a Broker Participant is subject to these Rules. When making a listing in the MLS, the Listing Broker warrants that the information submitted complies with these Rules in all respects, including with regard to (i) required data fields; (ii) format of submission; (iii) permitted and required listing types; and (iv) procedures for listing. The Listing Broker warrants that the listing does not infringe or violate any patents, copyrights, trademarks, trade secrets, or other proprietary rights of any third party and that there is no claim, litigation, or proceeding pending or threatened with respect to the listing.

9.2 Compliance with California and Federal Law.

BAREIS shall accept any listing that it is required to accept under California or federal law.

9.3 Types and Classifications of Listings.

BAREIS shall accept exclusive right-to-sell, seller reserved, open, and probate listings as defined in the California Civil Code § 1086 et seq. Listings that contain any exceptions whereby the owner need not pay a commission if the property is sold to particular individuals or under special situations shall be classified according to their proper legal contract form. The Listing Broker shall explain all exceptions in the Private Remarks. It shall be the responsibility of the Listing Broker to classify each listing submitted. BAREIS shall not have an affirmative responsibility to verify such legal classifications. However, BAREIS shall have the right to make a determination as to the validity of the classification. Refusal to reclassify the listing shall be considered a violation of the Rules.

9.3.1 Auction Listings.

Auctions shall be for the sale of real property. Auctions for the sale of an option or right to purchase are not permitted on the MLS. Auction Listings are subject to the same rules as other listings except as provided by this Rule 9.3.1.

- (a) Auction listings entered into the MLS compilation shall be identified by selecting “Yes” in the “Auction Yes/No” field. Auction listings shall have a listing price of either “0” or the minimum bid, depending on the type of auction. The listing shall be clearly labeled as an Auction Listing in the first sentence of the property description/public remarks field as well as in the first sentence of the Private Remarks field and shall specify that the Listing Price is a minimum bid. Auction documents shall be attached to the listing. The attached auction documents shall include:
 - i. The date, time, and place of the auction;
 - ii. Whether the auction is being conducted with or without the Seller’s right of reservation;
 - iii. The procedures by which Members shall register their representation of a Client potentially bidding at the auction;
 - iv. Any compensation to be paid to the Broker representing the successful bidder;
 - v. The time or manner in which potential bidders may inspect the listed property;
 - vi. Any other information that is material to rules or procedures by which the auction shall be conducted;
 - vii. The amount of the Buyer’s premium, if any.
- (b) The expiration date of the listing shall be the date of the auction. If reserve is not met at the auction and property is again listed as an auction on the MLS to accept offers/bids, the posted list price shall be the highest bid received at auction for the period during which the “auction is continued.”
- (c) If the Seller will accept a purchase offer prior to the scheduled auction, the Auction Listing shall specify, in addition to all of the above information, a List Price, and any compensation to be paid to the

Buyer's Broker in the event of a pre-auction sale. The Listing Broker shall further indicate clearly and conspicuously in the Private Remarks or in attached documents whether:

- i. The property is available for showing;
- ii. Purchase offers may be submitted for acceptance prior to the scheduled auction; and
- iii. Any time limitations applicable to the submission or consideration of such offers prior to the auction.

(d) If a purchase offer is accepted on or before the date of the scheduled auction, the auction of the property shall be canceled, and the transaction reported in the MLS pursuant to Rule 9.19.4.

9.4 Types of Properties.

BAREIS shall accept listings for the following types of property:

- (a) Residential
- (b) Residential Lease
- (c) Residential Income
- (d) Mobile in Park/Floating Home
- (e) Land
- (f) Business Opportunity
- (g) Commercial
- (h) Commercial Lease

9.5 Separate and Duplicate Listings.

All properties which are to be sold or which may be sold separately shall be listed separately, except as otherwise approved by BAREIS. Duplicate Listings shall be clearly labeled as a Duplicate Listing in the Private Remarks fields and include reference to the other MLS listing number and property category. MLS will allow Duplicate Listings if the property meets at least one of the following criteria:

9.5.1 For Approval in Two Property Categories:

- (a) Parcels with mixed-use zoning are being sold together; or
- (b) As residential and commercial or residential and land if subdivision is pre-approved. Proof of pre-approval from the municipality shall be provided if requested by BAREIS; or
- (c) As residential and land if lot where improvement plans are approved, and the list price includes all completed improvements; or
- (d) As residential and residential income if the property has a single-family home and additional dwellings and would be properly classified as either property type; or
- (e) As residential and land if the property has a dwelling on it and is being marketed for the land value.

9.5.2 For Approval in Multiple Counties or Areas:

- (a) The property's footprint overlaps two counties; or
- (b) The principal access road to the property is in a different county; or
- (c) The mailing address of the property is different from the property's location.

9.5.3 For Approval Within the Same Property Type:

- (a) Properties adjacent to each other that are being offered at one price individually and at another price if offered together as a combined sale; or
- (b) Properties being listed for sale at one price and for sale as an approved tenancy in common at another price.

9.6 Listing Agreement and Seller's Permission.

Prior to filing a listing with BAREIS, the Listing Broker shall possess a written, valid listing agreement. Listing agreements utilized by Listing Brokers shall contain all of the following:

- (a) The agreement shall establish and define the agency relationship and grant the Listing Broker authority to act as an agent of the Seller;
- (b) The agreement shall grant the Listing Broker authority to enter the listing into the MLS Data;
- (c) The agreement shall include instructions to post or not post the listing on Internet sites, and, if permitted to post the listing to the Internet, instruction to disclose or not disclose the address of the property on Internet sites; and
- (d) The agreement shall grant the Listing Broker authority to post-sales information in the MLS Data upon the sale of the property.

9.6.1 Obligation to Explain Rules to Clients.

A Seller's or Buyer's request of a Member not to report a sale or to violate any other Rule does not relieve the Member from his, her, or its obligations under these Rules. It is the responsibility of the Listing Broker to explain these Rules to the Seller.

9.7 Mandatory Inclusion.

Members shall include in the MLS Data all accepted listing types located within the service area of BAREIS, within three Days after all necessary signatures have been obtained on the subject listing or on the effective date of the contract, whichever is later. Listings of property located outside the Primary Service Area are not required to be included. Commercial, Business Opportunity, Residential Lease, or Commercial Lease categories are not required to be included in the MLS Data.

9.8 Final Sales Data, Excluding Listings and The MLS Data from MLS and Internet Sites.

Final sales data or final results of the transaction shall be reported to BAREIS for all properties listed in the MLS Data.

9.8.1 Listing Excluded from the MLS Data by Seller.

If the Seller does not permit the listing or final reporting of sales data to be included in the MLS Data at the time the listing is taken, the listing shall not be entered into the Data. The Listing Broker shall have the Seller complete an authorization to exclude the listing on a BAREIS Approved SEL Form. The SEL Form shall be complete in all respects, including necessary signatures and attachments. This authorization to exclude shall be submitted to BAREIS within three Days of the effective date of the listing agreement by means of the Web form available at www.bareis.com or by providing a copy to BAREIS or by submitting the listing into MLS with a future On-Market Date. Listings with an accepted offer or Sold during an exclusion period or prior to the On-Market Date shall only be entered into the MLS Data as a Comparable/Sold off MLS Listing per Rule 9.20. Listings with an accepted offer in place may be entered into the MLS Data for the purpose of seeking back-up offers. Such listings are considered Comparable/Sold off MLS Listings and shall meet all Comparable/Sold off MLS Listing requirements upon the close of escrow.

9.8.2 Exclusion of Listing from the Internet.

The BAREIS Approved SEL Form shall also be used to exclude a listing from the Internet or to comply with the Seller's instructions regarding the use of the listed property's address on the Internet as described in Rule 14.4.

9.8.3 Exclusion Shall Be in Accordance with Rule.

If the property is not properly excluded in accordance with this Rule 9.8, it shall be included in the MLS Data.

9.9 Rejection or Removal of Listings and Listing Content.

BAREIS is authorized to reject or remove any listing from the MLS compilation where the Member has refused or failed to comply with any BAREIS Rule or membership duty. Upon the rejection by BAREIS of any listing in the MLS Data, the Listing Broker shall so advise his or her Client(s). Prior to the removal of any listing from the MLS Data by BAREIS, the Listing Broker shall be advised of the intended removal so the Listing Broker can advise his or her Client(s). BAREIS retains the right, but not the obligation or duty, to remove listing content that it considers to be obscene, obsolete, in violation of any law or these Rules, or

otherwise objectionable. Listing Brokers remain solely responsible or liable for the content that they provide. In no case will any monitoring, rejection, or removal of a Member's content by BAREIS make BAREIS responsible or liable for such content.

9.10 Written Documentation.

In order to preserve and ensure the accuracy of the MLS Data, BAREIS shall have the right at any time and from time to time to request Documentation, including full, true, and complete copies of listing and purchase and sale agreements and related authorizations. Members shall provide the requested documentation within 1 Day following the subject request by the BAREIS staff.

9.11 Accuracy of Information.

By filing a listing with BAREIS, the Listing Broker shall be responsible for the truth of all representations and statements of which the Listing Broker had knowledge or should have had knowledge, as required by California Civil Code § 1088. The Listing Broker shall immediately review the listing, verify its correctness, and correct any errors. BAREIS shall not be required to and assumes no responsibility to, review, edit, or exercise editorial control over any listing. The foregoing notwithstanding, BAREIS may take any steps necessary in its sole discretion, including deleting a listing or portions thereof, to avoid or remedy any violation of law, breach of these Rules, or infringement of any intellectual property right. Additionally, BAREIS shall have the right to alter or remove metadata and copyright management information contained in the listing. If the Listing Broker is unable to correct an error, he or she shall notify BAREIS in writing. BAREIS' sole responsibility shall be to correct the error as presented by the Listing Broker.

9.12 Detail on Listings – Listings Information.

Listing information filed with BAREIS by the Listing Broker shall be complete in every detail, including property status, contract dates, the listing price, the expiration date, any compensation offered to other Broker Participants, photographs, and any other items required to be included as determined by the Board. A Listing Broker who is notified by any Third Party, including the Seller or BAREIS, that the data has an error or omission or requires a correction, shall complete or correct the information within three Days from the date the Listing Broker is so notified.

9.13 Listing Photograph Requirements.

A minimum of one photograph or graphic image best depicting the exterior of the subject property shall be attached to the listing within one Day of entering the listing unless the Seller signs an exclusion, utilizing the BAREIS Approved SEL form, directing that the property image not appear in MLS compilations. No photos may be removed from the listing once the listing is Closed, Expired, or Withdrawn/Cancelled. Any image (including architectural renderings) that illustrates any condition other than the "as-is" condition of the property shall be labeled as such in the Public Remarks field or on the photo itself. Photographs are optional for Coming Soon, Land, Commercial, Business Opportunity, Residential Lease, or Commercial Lease listings.

9.14 Special Provisions.

Any special circumstance, provision, contingency, or condition of any type in a listing agreement that would materially affect the Buyer or the decision of the Buyer to purchase the subject property, or a condition within or outside of the listing agreement that would materially and adversely affect any compensation of a representative of any party to the

transaction (such as the commission or other compensation in a probate sale, short sale, sale with a pending notice of default, or other similar circumstance) shall be specified in the Private Remarks.

9.15 Member as Principal.

If a Listing Broker through one or more intermediaries has any interest, whether direct or indirect, in the property, other than the Listing Broker's rights under the subject listing agreement, the Listing Broker shall clearly indicate this fact in the Private Remarks.

9.16 Correct Use of Data Fields.

Data fields shall be used only for their specified purpose, including:

9.16.1 General.

Members shall not use the remarks section or any MLS Data field for the purpose of disparaging other Members, conveying information about other offices, or for conveying any information that does not directly relate to the marketing of the subject listing.

9.16.2 Private Remarks.

The Private Remarks data field ("Private Remarks") is intended to contain agent-to-agent remarks, showing instructions, financing or escrow information, contact information, and any information deemed confidential pursuant to these Rules.

- (a) No reference shall be made to Real Estate Licensees who are not Members of BAREIS or a reciprocating MLS such as defined in Rule 8.
- (b) "For Comp Purposes Only" shall appear in the first line of Private Remarks when a listing is entered for that purpose.
- (c) Caution: Title, escrow, and lender information may be entered into Private Remarks; however, Members should note that any verbiage that implies a requirement to use a specific title company, escrow service, or lender may be a violation of RESPA. You are advised to seek legal counsel for specific advice when using such verbiage.
- (d) See Rules 9.3, 9.14, 9.19.5, 10.1, 10.3, 10.5 10.11, and 11.2 (for more Rules regarding Private Remarks).

9.16.3 Public Remarks Field.

Information in the Public Remarks Field shall only relate to the marketing, description, and condition of the property and its amenities.

- (a) No contact information is permitted, including names, phone or fax numbers, email addresses, or website addresses (including virtual tours and URLs) or calling instructions. Non-branded community interest and HOA websites are permitted.

- (b) No showing or open house instructions are permitted, including references to lockbox, alarm, gate, or other security codes, or the vacancy of the property.
- (c) No information directed toward real estate agents or Brokers is permitted.
- (d) No Personal information relating to the seller or occupants of the property is permitted.
- (e) No information related to financing governed by truth-in-lending laws is permitted.

9.16.4 Photograph Areas and Virtual Media.

Photograph areas, including photo remarks, shall be used only for their specified purpose of displaying the subject property, its amenities, and areas of community interest.

- (a) Photo remarks are restricted to describing the subject photograph.
- (b) The first and most prominent photograph of the listing shall be of the subject property.
- (c) Up to 5 community interest photographs with remarks describing the subject of the photograph may be posted; however, the total number of community photographs shall not exceed 50% of the total number of photographs.
- (d) Virtual tours should be pointed directly to a virtual tour, and not to a company or agent's website.
- (e) Photographs shall not contain legible contact information, including, but not limited to, office or agent names.
- (f) Photographs or images entered by members shall not contain branding.
- (g) Photographs of the subject property and its amenities shall not contain images of people.

9.16.5 HUD Discriminatory Terms.

Fair housing laws prohibit the use of certain discriminatory terms and actions. Members are expected to be aware of these terms and are prohibited from the use of these terms in the MLS Data. All listing information, including all remarks, submitted to the MLS must be in compliance with fair housing laws. The MLS monitors listing content and employs a process for identifying potential violations of fair housing laws. Should potential fair housing law violations be identified, Members will be advised to immediately remove or correct such potential violations. Failure to remove or correct may subject Members to discipline and/or subject the listing to immediate removal from display.

9.16.6 Publication of Access Codes.

The publication of access codes, including security alarm codes, digital deadbolt codes, and gate codes, is prohibited in any MLS Data field.

9.17 Change of Listing Information.

Listing Brokers shall report any change in the original listing agreement to BAREIS within three Days. By reporting changes, the Listing Broker represents that the Seller has authorized the listing modification in writing or that the Listing Broker has obtained other legally sufficient written authorization to make the changes.

9.18 Processing of Changes in Listings.

Changes in listings shall be submitted to BAREIS on change forms, or directly entered by the Member into the MLS Data. Change forms shall be complete. Incomplete change forms shall be returned to the Listing Broker for completion. Change forms covering listings originally entered by BAREIS into the MLS Data are processed by BAREIS at no charge. Change forms covering listings originally entered into the MLS Data by Members are processed by BAREIS for a fee.

9.19 Reporting of Sales.

Contingent sales, pending sales, failed sales, closed sales, and referred sales shall be reported to BAREIS by the Listing Broker as soon as practicable, but in no event later than three Days after their occurrence.

9.19.1 Contingent Sales.

Listings with accepted offers by the Seller with contingencies or conditions (i.e., Buyer's or Seller's lender's approval, inspections, release clauses, etc.) shall be reported to the MLS as "Contingent" by the Listing Broker. Neither the offer price nor terms shall be posted prior to the final closing.

9.19.2 Pending Sales.

Listings with accepted offers without contingencies shall be reported to the MLS as "Pending" by the Listing Broker. Neither the offer price nor terms shall be posted prior to the final closing.

9.19.3 Failed Sales.

The Listing Broker shall report to BAREIS the cancellation of any contingent or pending sale and the listing shall be reinstated as long as there is still a valid listing.

9.19.4 Closed Sales.

A “Closed Sale” (“Closed”) is defined as a completed transaction where escrow has closed and title to the property has been transferred, or, in the case of a lease, where the lease agreement has been signed by the lessor and the lessee.

9.19.5 Deed Returned to Lender.

If a property listed in the MLS Data results in a return of the deed to the lender, e.g., a deed-in-lieu of foreclosure, the listing shall be withdrawn/canceled on the date the deed-in-lieu is issued and shall not be included in the MLS Data as “Closed” or as a “Comparable/Sold off MLS Sale.” When withdrawing/canceling the listing, the first statement in the Private Remarks field shall describe the type of transaction or the circumstances under which the deed was returned, e.g., “Withdrawn and canceled. Seller issued a deed-in-lieu of foreclosure.”

9.19.6 Duplicate Sales.

The Listing Broker shall report as Closed the listing that best reflects the Buyer’s intended use of the property. The other listing shall be updated as Duplicate Withdrawn by the Listing Broker.

9.20 Comparable/Sold Off MLS.

A listing Sold while excluded from the MLS Data under Rule 9.8.1 or a property sold under a single-party compensation agreement may be entered only for comparable purposes and after the close of escrow. The Listing Broker or Buyer’s Broker shall secure written approval from the Seller and Buyer to enter the sales information into the MLS Data. The listing shall be entered into the MLS Data with the status of “Sold Off MLS” within 30 Days of the close of escrow. When a listing is entered as a Comparable/Sold Off MLS Listing, the On-Market Date entered shall be the date the listing agreement or single-party compensation agreement became effective.

9.21 Withdrawal of Listing Prior to Expiration.

Listings of property shall not be withdrawn from the MLS Data by the Listing Broker before the expiration date of the listing agreement unless the listing agreement is canceled in writing. BAREIS reserves the right to request a copy of the Seller’s written authorization or cancellation from the Listing Broker.

9.22 Expiration, Extension, and Renewal of Listings; Days on Market.

9.22.1 Expiration.

Listings shall be coded “Expired” on the MLS Data on the expiration date specified in the listing agreement unless the listing is extended or renewed by the Listing Broker in accordance with these Rules.

9.22.2 Extensions and Renewals.

The Listing Broker shall obtain written authorization from the Seller before filing any extension or renewal of a listing.

9.22.3 Days on Market (“DOM”).

DOM applies to the total number of Days a listing is Active or Contingent on the MLS. For the purpose of determining DOM, if the property is Withdrawn/Cancelled or Expired, DOM shall reset to zero if a new listing is created in the MLS. A new listing agreement is required.

9.22.4 Cumulative Days on Market (“CDOM”).

CDOM applies to the total length of time a property is Active or Contingent on the MLS, whether pursuant to a single listing agreement or multiple listing agreements, and continues to accumulate DOM for the property until the property is marked as Pending. For the purpose of determining CDOM, if the property is Withdrawn/Cancelled or Expired for more than 30 Days, CDOM shall reset to zero if replaced with a new listing.

9.23 Solicitation of Listing Filed with BAREIS.

Members shall not solicit a listing with respect to properties listed in the MLS Data during the term of a valid existing listing agreement, provided that this prohibition shall in no way limit the right of any Member to solicit listings through general advertising.

9.24 Listings of Members Suspended or Terminated.

When a Participant is suspended or terminated, including by reason of resignation or Expulsion, the Participant’s listings in the MLS Data at the time of such Suspension or Termination shall, at BAREIS’ option, be retained in the MLS Data until Closed, withdrawn, or Expired, but shall not be renewed or extended by BAREIS beyond the expiration date of the listing agreement in effect when the Suspension or Termination became effective. All change orders for pre-existing listings shall be in writing and mailed, sent by facsimile, emailed, or hand-carried to the appropriate BAREIS service center to be sent to BAREIS for input into the MLS Data. Suspension of MLS Privileges of a Participant extends to all Subscribers affiliated with that Participant. It shall be the responsibility of the Listing Broker to notify any Client that the listings are no longer in the MLS Data.

10 SELLING PROCEDURES AND PRESENTATION OF OFFERS

10.1 Showings and Negotiations.

10.1.1 Appointments.

Appointments for showings and negotiations with the Seller for the purchase of listed property filed in the MLS Data shall be conducted through the Listing Broker except under the following circumstances:

- (a) The Listing Broker gives the Buyer’s Broker specific authority to show or negotiate directly, or, if the Listing Broker is having all showings and negotiations conducted solely by the Seller, the Listing Broker shall clearly set forth such fact in the Private Remarks filed with BAREIS; or
- (b) After reasonable effort and for no less than 24 hours the Buyer’s Broker cannot contact the Listing Broker or his or her representative. However,

the Listing Broker, at his or her option, may preclude such direct negotiations by the Buyer's Broker by giving notice to all Members through the MLS Data.

10.1.2 Notification of Sale.

If the Buyer's Broker's negotiations as described in 10.1.1 (a) or (b) result in an accepted offer, the Buyer's Broker shall notify the Listing Broker of the Contingent or Pending status within 3 days of acceptance and the Listing Broker shall change the status of the listing to Contingent or Pending within 3 days of receiving notice from the Buyer's Broker. Within 3 days of the final closing date, the Buyer's Broker shall notify the Listing Broker of the Closed status and terms of the sale and the Listing Broker shall change the status of the listing to Closed in the MLS within 3 days of receiving notice from the Buyer's Broker.

10.2 Disclosing the Existence of Offers.

Listing Brokers, in response to inquiries from Buyers or Buyer's Brokers, shall disclose the existence of offers on the property unless instructed otherwise by the Seller in writing. The Listing Broker shall also disclose if asked whether offers were obtained by the Listing Broker, or by a Buyer's Broker.

10.3 Listings with Instructions "Do Not Show" or "Not Accepting Offers."

A Listing Broker may instruct Buyer's Brokers not to show a property, or not to submit offers, under the following provisions:

10.3.1 Submitted Listings with "Do Not Show" Instructions.

Approved Active listings shall be available for showings within three Days subject to the tenant's rights unless otherwise indicated in writing by the Seller. If a property is listed in the MLS Data with an Active status containing information that instructs Buyer's Brokers not to show the property, the Private Remarks shall indicate the process for the presentation of offers during the "do not show" period.

10.3.2 Submitted Listings with Instructions to Not Submit Offers.

If a property is listed in the MLS Data with an Active status containing information that instructs Buyer's Brokers to not submit offers, the Listing Broker shall change the status of the property to "Temporarily Off-Market" until offers may be submitted.

10.4 Listing Broker's Permission.

No Member shall physically enter a property, with or without a lockbox, without the Listing Broker's permission and without following the Listing Broker's instructions. A Member shall be physically present on the property at all times when providing access to a listed property unless the Seller has consented otherwise in writing. Permission to use the lockbox may be granted by the Listing Broker through the MLS Data. Appraisers are prohibited from entering a property without either the Seller's or the Listing Broker's permission. Showing instructions contained in the MLS Data do not satisfy the appraiser-permission requirement.

10.5 Procedures for Presentation of Offers.

The Listing Broker shall make arrangements to present an offer as soon as possible or give the Buyer's Broker a satisfactory reason for not doing so. In the event a Listing Broker will not be participating in the presentation of offers, the Listing Broker shall clearly indicate this fact in the Private Remarks in the listing information filed with BAREIS.

10.6 Submission of Offers and Counter-Offers.

Unless precluded by law, governmental regulation, or written instruction by the Seller, the Listing Broker shall submit all offers to purchase to the Seller until the closing of the sale, or the expiration or termination of the listing agreement. If requested by Buyer Broker in writing, Listing Broker shall provide Buyer Broker with Listing Broker's written verification that Buyer Broker's offer was presented (or a written notification that the Seller has waived the obligation to have the offer presented), said verification to be provided to Buyer Broker within three Days of Buyer Broker's request. The Buyer Broker acting for Buyer shall submit to Buyer all offers and counter-offers until acceptance.

10.7 Right of Buyer's Broker in Presentation of Offer.

The Buyer's Broker has the right to participate in the presentation of any offer to purchase that he or she secures but does not have the right to be present at any discussion or evaluation of that offer by the Seller and the Listing Broker. The Buyer's Broker shall convey the offer to the Listing Broker for presentation if the Seller gives written instructions to the Listing Broker requesting that the Buyer's Broker not be present during the offer presentation. The Buyer's Broker has the right to receive a copy of the Seller's written instructions from the Listing Broker in that regard. Nothing in this Rule 10.7 shall diminish or restrict the Listing Broker's right to control the establishment of appointments for offer presentations.

10.8 Right of Listing Broker and Presentation of Counteroffers.

The Listing Broker has the right to participate in the presentation of any counteroffer made by the Seller. The Listing Broker does not have the right to be present at any discussion or evaluation of a counteroffer by the Buyer. However, if the Buyer gives written instructions to the Buyer's Broker that the Listing Broker not be present when a counteroffer is presented, the Listing Broker has the right to a copy of the Buyer's written instructions in that regard.

10.9 Delayed Offer Presentation.

A Listing Broker at the direction of the Seller may establish a date for presentation and review of all offers. If a Seller(s) has directed that offers are not to be presented for any length of time, Seller's direction authorizing such arrangement shall be in writing, and Listing Broker shall provide clear and accurate notice to Members in the MLS of the date/time of presentation of offers as set forth in seller's written instruction.

10.10 Member as a Buyer.

If a Member wishes to acquire through one or more intermediaries an interest, direct or indirect, in a property listed with another Listing Broker, such contemplated interest shall be disclosed by such Member to the Listing Broker in writing prior to the time an offer to purchase is submitted to the Listing Broker.

10.11 Refusal to Sell.

If the Seller of any listed property in the MLS Data refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be disclosed in the Private Remarks section of the listing within 24 hours.

11 COMPENSATION

11.1 Control of Commission Rates or Fees Charged by Participants.

BAREIS shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, BAREIS shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between Participants and non-Participants. BAREIS shall not be a party to the settlement of any dispute over compensation.

11.2 Unilateral Contractual Offer.

By submitting a listing in the MLS Data, the Listing Broker is making a blanket, unilateral contractual offer of compensation, if any, to the other Broker Participants and, through the Broker Participants, other Members, for their service in selling the property. This offer of compensation, if any, is also made to members of organizations that are parties to the Cross Pollination Agreement. A Listing Broker shall specify the compensation, if any, in a dollar amount, as a percentage of the sales price, or other consideration, to be paid to a Buyer's Broker. Any offer of a referral fee in addition to or in lieu of a commission, and any requirements, limitations, or restrictions to receive or to qualify for any unilateral contractual offer of compensation (for example, for estate sale, probate, bankruptcy, or lender approval listings), shall be specified clearly in the Private Remarks in the listing information. Entitlement to compensation shall be determined (a) by the Buyer's Broker's performance as the procuring cause of a ready, able, and willing Buyer of the listed property on terms acceptable to the Seller, as evidenced by the execution and delivery of a binding contract of sale between the Buyer and the Seller; (b) by the Buyer's Brokers introducing the Buyer to the Seller within the terms of a listing that offers a referral fee, as evidenced by the execution and delivery of a binding contract of sale between the Buyer and the Seller; or (c) as otherwise provided for in these Rules. The Listing Broker's obligation to compensate any Buyer's Broker as the Broker procuring the sale, if any, may be excused if it is determined through arbitration or other proceeding that, through no fault of the Listing Broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the Listing Broker to collect a commission pursuant to the listing agreement.

11.3 Acceptance of Contractual Offer.

The Listing Broker's blanket, unilateral contractual offer pursuant to Rule 11.2 is accepted by the Buyer's Broker when he or she procures a Buyer, lessee, or exchangee and a sale contract or lease agreement is entered into. Payment of compensation by the Listing Broker to the Buyer's Broker under this Rule 11.3 is contingent upon either (a) the final closing or (b) the Listing Broker's receipt of monies resulting from the Seller's or Buyer's default under the underlying sale contract or lease agreement. Notwithstanding this Rule 11.3, the Listing Broker or Buyer's Broker shall still retain any remedies they may have against either the Buyer or the Seller due to a default under the terms of the sale contract, listing agreement, or other specific contract. Any dispute between Broker Participants arising out of this Rule 11.3 shall be arbitrated under applicable Rules, CAR interboard arbitration rules, or Rule 17.5, and shall not be considered a Rules violation.

11.4 Changes to Unilateral Offer of Compensation to All Participants.

The Listing Broker may, from time to time, adjust the published compensation offered on the MLS Data. Any change in compensation shall be effective immediately upon publication in the MLS Data. The Listing Broker may revoke or modify the offer of compensation in advance to any individual Broker Participant in accordance with general contract principles, but in no event shall the Listing Broker revoke or modify the offer of compensation without the Buyer's Broker's consent after the Buyer's Broker (a) physically delivers or transmits by fax or email to the Listing Broker a signed offer from a prospective Buyer to purchase the property for which the compensation has been offered through the MLS Data, or (b) notifies the Listing Broker in Person or by telephone, facsimile or email that the Buyer's Broker is in possession of a signed offer from a prospective Buyer to purchase the property for which the compensation has been offered through the MLS Data and is awaiting instructions from the Listing Broker as to the manner of presentation or delivery of that offer. Any independent advance revocations, modifications of the offer, or agreements between Broker Participants are solely the responsibility of such Broker Participants, and shall not be filed with, published by, or governed in any way by, BAREIS.

11.5 No Change of Compensation as a Condition of Offer.

A Buyer's Broker shall not use the terms of an offer to purchase a listed property that has been executed by or on behalf of a Buyer to secure an agreement to modify the MLS unilateral offer of compensation or the Buyer's Broker's right to receive such compensation from the Listing Broker. A Buyer's Broker also shall not make the submission to the Seller or to the Listing Broker of an executed offer to purchase the subject property contingent on an agreement to modify the offer of, or the right to receive such compensation. The Listing Broker shall not use a change in the terms or conditions of a compliant offer to purchase a listed property that has been submitted to the Listing Broker by a Buyer's Broker to attempt to modify the Listing Broker's unilateral offer of compensation or the Buyer's Broker's right to receive such compensation. Failure of a Buyer's Broker or a Listing Broker to comply with this Rule 11.5 shall not relieve a Listing Broker of the obligation to submit all offers to the Seller as required by California law. Subject to the restrictions set forth in this Section 11.5 or set forth elsewhere in the Rules, neither this Section 11.5 nor any other provision in these Rules, shall preclude a Listing Broker and a Buyer's Broker from freely entering into a mutual agreement to change the subject compensation. BAREIS shall not be a party to the settlement of any dispute over compensation.

11.6 Dual- or Variable-Rate Commission Arrangements.

The existence of a dual- or variable-rate commission arrangement in the listing agreement shall be disclosed by the Listing Broker by a key, code, or symbol, as required by BAREIS. A dual- or variable-rate commission arrangement is one in which, for example, (a) the Seller agrees in writing to pay a specified commission if the property is sold by the Listing Broker without assistance and a different commission if the sale results through the efforts of a Buyer's Broker, or (b) a different commission if the sale results through the efforts of the Seller. If the Buyer's Broker is representing a Buyer, the Buyer's Broker shall then disclose such information to his or her Client before the Client makes an offer to purchase. The Listing Broker shall, in response to inquiries from potential Buyer's Brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale that results through the efforts of the Seller.

11.7 No Filtering Based on Compensation.

Brokers shall not filter, suppress, hide, or not display or distribute listings based on the level of compensation offered to the Buyer Broker.

12 PRESERVATION, CONFIDENTIALITY, DISPLAY, USE, AND DOWNLOADING OF MLS DATA

12.1 Preservation of the MLS Data.

No data may be removed from the MLS Data other than by BAREIS. No MLS Data, including photographs or other Media, may be removed from the MLS Data other than by BAREIS for listings with statuses of Closed, Withdrawn/Cancelled, or Expired. Although a listing may be removed from display in the MLS compilation of current listing information, all data submitted to BAREIS shall remain in the MLS's archives for historical and other purposes approved by the Board.

12.2 Confidentiality of the MLS Data.

12.2.1 Confidential Information.

As used in these Rules, "Confidential Information" is to be broadly defined and includes: (a) all information and data stored in or accessible from the MLS Data, regardless of how accessed, whether by computer, computer tablet, cellphone, lockbox keys or any other device whatsoever, or how presented; or (b) all other information that has or could have commercial value or other utility to BAREIS in the operation or maintenance of the MLS, including its multiple listing service systems, procedures and methodologies, or other trade secrets, including its business plans, records, financial information, statements and tax returns, agendas for and minutes of meetings of the Board or its legal or advisory committees and their reports, or the identity of its licensees or licensors or their respective goods or services; or (c) all other information of which the unauthorized disclosure could be detrimental to BAREIS' economic and business interests, whether or not such information is identified as "Confidential Information" by BAREIS; however, solely for the purpose of these Rules, "Confidential Information" shall not include information that is generally available to the public on the BAREIS website "GreatHomes.org." Each Member (i) shall protect the confidentiality of such Confidential Information, (ii) shall not disclose or provide such Confidential Information to others, or facilitate the access by others of such Confidential Information, unless authorized to do so by BAREIS and these Rules, (iii) shall use such Confidential Information only for the purposes set forth in these Rules, and (iv) shall, at all times, maintain control over and responsibility for any Confidential Information provided to them by BAREIS and shall take the greater of reasonable care or the care such Member takes to protect its own Confidential Information. The Confidential Information contains BAREIS trade secrets under the California Uniform Trade Secrets Act and a misappropriation thereof shall be subject to sanctions under that Act.

12.2.2 Login Security Codes, Member Contact Information, Etc.

Members are responsible for the security of their BAREIS login security codes or passwords, and Members shall not give or allow the use of or make their login security codes or passwords available to anyone else. Members are expected to keep the contact information of other Members confidential. Any communication with other Members shall be within the guidelines and opt-out provisions of Federal or state law governing email, facsimile, and telephone solicitation. Selling, transmitting, or providing non-Members with the contact information, login security codes, or passwords of any Member, whether intentionally, negligently, or inadvertently, is a violation of these Rules and may result in Termination from the MLS.

12.3 Disclosure by Government Compulsion.

If required by order of any government authority, a Member may disclose to such authority, information or material pertaining to or involving the Confidential Information to the extent required by such an order, provided that such Member shall first timely notify BAREIS of such order so that BAREIS may obtain a protective order sufficient to maintain the confidentiality of such information or materials.

12.4 Display and Use of the MLS Data.

Members are hereby granted a limited, non-exclusive, terminable license to use and copy the MLS Data and display the MLS Data only in conjunction with their ordinary business activities. See Rules 13 and 14 for advertising and Internet advertising limitations.

12.5 Presentation of the MLS Data.

Presentation of the MLS Data to a Member's Client shall be only in the immediate presence or "virtual" presence (by electronic means) of the Member with his, her, or its Client. Members are prohibited from presenting the MLS Data to their clients for any purpose other than to market property or to support a sales presentation or a written appraisal or estimate of value on a particular property to a Client, and in no event shall Confidential Information be presented to a Client.

12.6 Use of Listing Broker's Own MLS Data.

Nothing in these Rules prohibits a Broker Participant from transmitting, or re-transmitting electronically, or by any other means, the Listing Broker's Own MLS Data to any Person.

12.7 Confidential MLS Data.

Members shall not provide the following information from the MLS Data to a non-Member unless the Member obtains prior written consent from the Listing Broker:

- b) Instructions or remarks intended for Buyer's Brokers, including but not limited to showing instructions or security references for the listed property;
- c) Type of listing agreement and expiration date; or
- d) Any other information except a description of the property, price, and offer of compensation.

12.8 Downloading the MLS Data.

Participants may download the MLS Data into a computer as long as:

- (a) Access to the computer receiving the data is strictly limited to authorized Members and Administrative Users as defined in these Rules;
- (b) The data is re-transmitted only to the Member authorized to access the system by these Rules; and

- (c) The data is not reformatted or used to create another product except as may be used by the Member who downloaded the data and such use strictly complies with Rules 12.4, 13, and 14.

12.9 BAREIS Rights to Disclose.

BAREIS reserves the right to distribute to third parties certain information about Members, including a Member's name and business address, phone number, and email address. BAREIS reserves the right to distribute to third parties aggregated information about Members' use of the MLS, but not about Members' use specifically. In addition, BAREIS may provide government agencies access to the MLS at any time in BAREIS' sole discretion.

13 USE OF THE MLS DATA IN ADVERTISING

13.1 "For Sale" Signs.

Only the "For Sale" signs of the Listing Broker may be placed on the property.

13.2 "Sold" Signs and Use of the Term "Sold."

Prior to closing, only the "Sold" or "In Escrow" signs of the Listing Broker may be placed on a property, unless the Listing Broker authorizes the Buyer's Broker in writing to post such signs. After closing, and only with the written permission of the Buyer, "Sold" signs of the Listing Broker or the Buyer's Broker may be placed on a property.

13.3 Use of the MLS Data in Advertising.

Except as provided in Rules 13.4, 13.5, and without the prior written consent or consent granted under Rule 14 of the Listing Broker, any advertising of the MLS Data is prohibited by any Member other than the Listing Broker. Only Members who participated in the transaction as the Listing Broker or Buyer's Broker may claim to have "Sold" the property.

13.4 Use of the Comparable MLS Data in Advertising.

Except as provided in Rules 12.4, 13.3, and Rule 14, any advertising of Comparable MLS Data is prohibited except for use in a Member's marketing materials that are designed to promote the Member's services as a Real Estate Broker, agent, or Appraiser, generally. Comparable MLS Data obtained from BAREIS and used in such marketing materials shall contain the following disclaimer:

This information is based on sales reported in Bay Area Real Estate Information Services, Inc. (BAREIS) and is not verified and is subject to change. Listings represented may not have been listed or sold by (agent/firm name).

13.5 Use of the MLS Data in Market Share Advertising.

Advertising of statistical data for the purpose of demonstrating market share is permitted; provided, however, that any use of the MLS Data for demonstrating market share shall include the following notice:

Based on information from Bay Area Real Estate Information Services, Inc. (BAREIS) for the period [date] through [date]. Information has not been verified, is not guaranteed, and is subject to change.

13.6 False or Misleading Advertising and Representations; Unfair Competition.

Members shall not engage in any unlawful or fraudulent business act or practice or unfair, deceptive, untrue, or misleading advertising or other conduct that violates the provisions of California Business and Professions Code, § 17200, et seq., including advertisements or representations regarding the Member's relationship to the MLS Data, BAREIS itself, or any property listed in the MLS Data. Members shall not represent that their services as an agent or representative to a buyer or seller in a real estate transaction are free or available at no cost to their clients unless the Member will receive no financial compensation from any source for those services. It shall not be BAREIS' responsibility to mediate or resolve conflicts between or among Members with respect to false or misleading advertising or other unfair business practices.

13.7 Use of the Terms

13.7.1 No Misrepresentation of MLS.

No Member affiliated with any Broker Participant shall, through the name of such Member's firm, URLs, e-mail addresses, website addresses, or in any other way, represent, suggest or imply that the individual or firm is a Multiple Listing Service, an "MLS," or that he, she or it operates a Multiple Listing Service. Members shall not represent, suggest or imply that consumers or others have direct access to the MLS Data, or that consumers or others are able to search the MLS Data available only to Members. This does not prohibit Members from representing that any information they are authorized under these Rules to provide to Clients or consumers is available on their websites or otherwise.

13.7.2 Governing DRE Provisions.

Provisions in the Department of Real Estate Regulations, Article Five, § 2731, govern fictitious business names and prohibit the use of any names that are misleading or would constitute false advertisement.

14 DISPLAYING THE MLS DATA ON THE INTERNET

14.1 Broker's Usage of Proprietary Data.

Brokers are not restricted from downloading, displaying, or reproducing their own listing information on any Internet site. BAREIS does not prohibit Members from linking their own Internet sites to other Internet sites where other Brokers' listings may be advertised.

14.2 False or Misleading Advertising and Representations.

MLS Members shall present a true picture in Internet representations to the public, including the Internet content, images and URLs, and domain names they use; and Members shall not:

14.3 Member Linking Websites.

Members may link or “frame” from their public-access website, any public-access website owned and operated by BAREIS (currently GreatHomes.org), provided the BAREIS website and data is displayed in its entirety. Display of the BAREIS public website in its entirety shall not be considered a violation of Rule 13. Members shall not frame the MLS system website (currently Rapattoni).

14.4 Internet Data Exchange (IDX) Displaying the MLS Data for the General Public Access – Member Websites.

Internet display of MLS Data posted in the MLS by other Members is prohibited without the prior written consent of the Listing Broker, or through both Broker Participants’ enrollment in the IDX program.

A Member/Subscriber that is employed or affiliated with a Broker Participant may, with the consent of the Broker Participant with which the Member/Subscriber is employed or is affiliated as an independent contractor, establish and operate an IDX website. For purposes of this Rule 14.4, IDX website includes the following authorized electronic mediums for distributing IDX data: websites, mobile applications, and audio devices. Such authorization is presumed for IDX websites provided to Members by BAREIS. Broker Participants shall provide oversight and supervision of IDX websites built and maintained by their Members/Subscribers or their vendors and shall be accountable for compliance of such websites with MLS Rules, policies, procedures, and guidelines.

- (a) Subject to paragraphs (b) through (m) below, and notwithstanding anything in these Rules to the contrary, Members may display on their public websites IDX Internet Data and IDX Enhanced Internet Data identified by the Listing Broker as “permitted to be advertised by other Brokers” and identified as permissible to “pass to Internet”, through the listing process. There is no “presumed consent” for such Internet display.
- (b) A Member shall not advertise IDX Listings of other Broker Participants granting permission to do so on the Internet until the Broker Participant has signed and agreed to the terms of an IDX license agreement provided by BAREIS. As a part of that agreement, the Broker Participant shall commit to making all of his, her or its listings available for transmission through the MLS to other Broker Participants participating in IDX license agreements for display on the Internet.
- (c) A Broker Participant that is not advertising on the Internet the listings of other Broker Participants but wishes to grant permission to other Broker Participants to advertise his, her or its listings on the Internet, is required to sign a BAREIS IDX license agreement.

- (d) Members shall not advertise IDX Internet Data of other Members on the Internet unless their Broker Participant has signed a BAREIS IDX license agreement.
- (e) Members shall not display Confidential Information on their IDX websites.
- (f) All listings on a Member's IDX website shall identify the firm name of the listing brokerage and listing agent in a manner designed to easily identify such listing brokerage or agent. Displays of minimum information (e.g., a one-line thumbnail search result, text messages, "tweets," etc. of two hundred characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures.
- (g) Members shall not modify the information displayed pursuant to these Rules.
- (h) IDX Internet Data displayed shall indicate the source of the information being displayed and the most recent date the data was updated. Members shall update all downloads and refresh all data at least once every 12 hours.
- (i) Sharing of the MLS Data with any Third Party, or permitting a Third-Party vendor not authorized by a BAREIS IDX license agreement to access the MLS Data, is prohibited.
- (j) Members shall indicate on their IDX websites that the information being provided is for the consumer's personal, non-commercial use, and shall not be used for any purpose other than to identify prospective properties that consumers may be interested in purchasing.
- (k) Members displaying IDX Listings on their websites shall adhere to the Listing Broker's and Seller's written instructions regarding use of "address on Internet (full/partial)" flags in the MLS compilation.
- (l) A Listing Broker may exclude a previously approved listing at any time up to and including the date of sale, regardless of status, from being transmitted to public and IDX websites by marking the listing "do not pass to the Internet."
- (m) IDX Enhanced Data includes certain Off-Market MLS Data that is restricted for use on Member IDX websites and BAREIS-approved public sites. Members are permitted to transmit the Member's own listings and listings data to any Person of the Member's choice. A Member's transmission of IDX Internet Data and IDX Enhanced Internet Data through a Syndicator shall be limited solely to the Member's own listings and listings data.
- (n) Members shall not filter, suppress, hide, or not display or distribute listings based on the level of compensation offered to the Buyer Broker or the name of the listing brokerage or listing agent on their IDX websites.

- (o) Display of Offer of Compensation, if any, to the Buyer Broker is permitted; provided, however, any display of Compensation to the Buyer Broker shall include a notice to the following effect: “An offer of compensation, if any, is made exclusively to Broker Participants of the MLS where the subject listing is filed and in accordance with such MLS’s regulations or rules.”

14.5 Virtual Office – for the Broker Participant’s Client Access.

A Broker Participant may do in the virtual presence of his, her, or its Client anything permitted under these Rules that is allowed in their physical presence. A virtual office website (a “VOW”) is defined as a Broker Participant’s Internet office website (other than a public-access IDX site through which members of the general public receive certain real estate listing information) that includes the opportunity for a Broker Participant’s Clients to search the MLS Data, conditional on the Broker Participant’s oversight, supervision, and responsibility. In order to have a VOW, a Broker Participant shall obtain a separate license agreement with BAREIS to establish a VOW and shall also have its VOW vendor obtain a separate license agreement from BAREIS pursuant to Rule 14.4. A VOW shall operate in a manner consistent with the following guidelines:

- (a) Confirmation and Verification. Members can provide access to a Client only after (i) obtaining the name and valid email address of such Client, and (ii) sending an email to such Client in order to confirm that the Client has a valid address and has received and agreed to the VOW’s terms of use.
- (b) Terms of Use. Terms of use shall include the following: (i) that the Client acknowledges entering into a Client-Broker relationship with the Participant; (ii) that all data obtained from the VOW is only for the Client’s Personal, non-commercial use; (iii) that the Client has a bona fide interest in the purchase, sale or lease of real estate of the type being offered through the VOW; (iv) that the Client shall not copy, redistribute or retransmit any of the MLS Data or information provided; and (v) that the Client acknowledges BAREIS’ ownership of and the validity of the copyright in the MLS Data.
- (c) Username and Password. Members shall obtain from or supply to each Client a username and a password, the combination of which shall be different from those of all other Clients on the VOW, before being permitted to search and retrieve information from the MLS Data using the VOW.
- (d) Protection for Misappropriation. Members’ VOWs shall protect the MLS Data from misappropriation by employing reasonable efforts to monitor for and prevent “scraping” and other unauthorized accessing, reproduction, or use of the MLS Data.
- (e) Seller Withholding. A Broker Participant’s VOW shall not display the listing or property address of a Seller who has directed in writing that their Listing Broker withhold the Seller’s listing or property address from display on the Internet. Such Listing Broker shall promptly include in the

MLS data that such Seller has so elected not to display the listing or property address on the Internet. Notwithstanding the foregoing, a Broker Participant who operates a VOW may provide the listing or property address with Internet display withheld to the Broker Participant's Clients using a non-Internet disclosure of such information, such as email, telefax, or other communication that does not use or allow such listing or property address to appear directly or indirectly on the Internet.

- (f) Distribution of Data. No portion of the MLS Data shall be distributed to, provided to, or made accessible to any Person, except as provided for in these Rules.
- (g) Privacy Policy. All VOWs shall display the Members' privacy policies informing Clients how information they provide may be used.
- (h) Members shall not filter, suppress, hide, or not display or distribute listings based on the level of compensation offered to the Buyer Broker or the name of the listing brokerage or listing agent on their VOW websites.
- (i) Display of Offer of Compensation, if any, to the Buyer Broker is permitted; provided, however, any display of Compensation to the Buyer Broker shall include a notice to the following effect: "An offer of compensation, if any, is made exclusively to Broker Participants of the MLS where the subject listing is filed and in accordance with such MLS's regulations or rules."

14.6 Third-Party Access.

Each Member is responsible for all actions of each vendor, consultant, agent, or other third party (each a "Third Party") employed or engaged by such Member who gains access to any data from the MLS Data, regardless of whether the MLS Data is displayed on a free-standing Internet site or through a link to the Member's Internet site. Each such Third Party is required to sign an agreement with BAREIS prior to any access to or transmission of such MLS Data. Per Section 4.2 of these Rules, all right, title, and interest in the MLS Data created and copyrighted by BAREIS shall at all times remain vested exclusively in BAREIS. BAREIS may accept or deny any application for third-party access to the MLS Data in its sole discretion or may impose additional conditions or requirements for any application for access. BAREIS reserves the right to terminate access if it concludes that the agreement has been breached in any way. The agreement shall restrict the Third Party's use of the MLS Data, and each such Third Party is required to acknowledge and adhere to these Rules. No Third Party employed or engaged to develop or operate any Internet site for a Member, or utilizing a Member's site through a link, shall utilize the MLS Data in any manner, including capturing names and Personal information of visitors to the site for any other purpose than that permitted in such agreement with BAREIS. Links to the Member's Internet site by unrelated Internet sites may be established with the permission of the Member. The host sites of links to a Member's Internet site shall be considered Third Parties of such Member and are subject to these Rules. Failure to adhere to these Rules by a Member's Third Parties shall be considered prohibited access to or transmission of the MLS Data in violation of these Rules and may result in sanctions against such Third Parties or such Member.

15 ELECTRONIC LOCKBOX AND LOCKBOX KEY RULES

15.1 Eligibility for Electronic Lockboxes and Lockbox Key Service.

Electronic lockboxes and lockbox keys are administered by an authorized administrator in the BAREIS Primary Service Area. Members in good standing with BAREIS or a reciprocal entity as defined in Section 8 are eligible for lockbox key privileges. Administrative Users are not eligible for lockbox key privileges. BAREIS Members shall be eligible to hold an electronic lockbox and lockbox key provided:

- (a) The lockbox key holder signs a lease agreement with a local lockbox key administrator.
- (b) The Broker Participant to which the lockbox key holder is licensed cosigns the lease agreement (if necessary, under the lease agreement).
- (c) The lockbox key holder continues to comply with all BAREIS Rules relating to lockboxes and lockbox keys and all terms of the lease agreement and user's guide provided by the issuing entity.
- (d) The Member remains eligible for BAREIS MLS services.

15.2 Lockbox Key Use.

Lockbox keys shall not be used under any circumstances by anyone other than the lockbox key holder. Permitting the unauthorized use of a lockbox key is subject to the fine listed in EXHIBIT A-2. All Confidential Information accessed by or through a lockbox key shall be subject to Section 12.2.1 of these Rules. If a lockbox key user loses a lockbox key, or the lockbox key is stolen and the access codes are stored with a lockbox key, this shall be considered permitting unauthorized use. Lockbox keys shall only be used for the purpose of facilitating the sale or lease of a listed property.

15.3 Accountability.

Lockbox key holders shall account for lockbox keys at the time of any inventory conducted by the issuing lockbox key administrator, or its designated representative. Lockbox key holders who voluntarily or involuntarily cease to subscribe to the MLS shall promptly return all lockbox keys in their possession to the MLS.

15.4 Deemed Unaccountable.

Lockbox keys shall be deemed unaccounted for if a lockbox key holder refuses or is unable to demonstrate that the lockbox key is within the lockbox key holder's physical control.

15.5 Written Authority for Placement and Removal of Lockbox.

Members shall not place a lockbox on a property without written authorization from the Seller and without advising the Seller of the Seller's duty to secure permission for Broker access from the occupant, if the occupant is not the Seller. The Listing Broker shall remove the lockbox from the property within one day after close of escrow, termination, or unless instructed otherwise in writing by the Buyer or the Buyer's agent.

15.6 Listing Broker's Permission.

No Member shall enter a property with or without a lockbox without the Listing Broker's permission. Permission may be granted by the Listing Broker to use the lockbox through the MLS Data. Appraisers are prohibited from using lockbox keys to enter a property without

either the Seller's or Listing Broker's permission. Showing instructions contained in the database do not satisfy the appraiser-permission requirement.

15.7 Unaccounted for Lockbox Keys.

Lockbox key holders and Broker Participants cosigning with a lockbox key holder shall immediately report lost, stolen, or otherwise unaccounted for lockbox keys to its local lockbox key administrator or its designated representative in accordance with the lease agreement.

15.8 Failure to Abide by Rules.

Failure to abide by these Rules and the usage requirements of the entity issuing the lockbox and lockbox key may result in disciplinary sanctions as provided within these Rules, in addition to loss of or restriction on all lockbox and lockbox key privileges.

15.9 Right to Limit Access.

BAREIS reserves the right to refuse or limit access to lockboxes if, in its sole discretion, it determines the security of the system would be compromised by granting access to lockboxes.

15.10 Protection of Property.

Extreme care shall be used by a Member to ensure that all doors and access points to the listed property to which the Member has had access and the lockboxes thereon are locked. A Member shall be physically present on the property at all times when providing access to a listed property unless the Seller has consented otherwise in writing.

15.10.1 Use of Lockbox Contents.

Keys or devices used to access the property shall only be used to enter the property for the purpose of showing or selling the property unless permission otherwise is granted in writing by the Listing Broker or Seller. Members shall at all times follow the showing instructions published in the MLS Data. Members shall not remove contents of the lockbox for purposes other than facilitating the sale or lease of the property. While at the property, Members shall keep lockbox contents in their possession at all times after removal from the lockbox. The lockbox or contents shall not be removed from the property without prior consent from the Listing Broker. Members shall return key or device to access property to the lockbox upon exiting the property.

15.11 Compatible Lockboxes; Multiple Lockboxes.

If a lockbox or keyless access device is present on a property for the purpose of allowing agents access to that property and is located in the Primary Service Area (Sonoma, Marin, Napa, Solano or Mendocino) and listed for sale or lease in the MLS Data, a BAREIS-approved electronic lockbox shall be present, or a lockbox that is compatible with the BAREIS-approved system or has been otherwise approved in writing by BAREIS. If a lockbox or keyless access device is present on a property for the purpose of allowing agents access to that property and the property is not located in the Primary Service Area but is located within the primary geographical service area of an MLS subject to a cross-pollination agreement with BAREIS, an electronic lockbox that is compatible with the MLS for the geographical area where the property is located shall also be present. The BAREIS-approved lockbox shall include a key, device, combination, or code to access property. This Rule 15.11

does not prohibit the placement of additional lockboxes. Commercial and Business Opportunity listings are excluded from this Rule 15.11.

16 DATA PRIVACY

By filing a listing with BAREIS or otherwise participating in the MLS, each Member, including each Listing Broker, represents and warrants, on their own behalf and, if applicable, on behalf of any of such Member's agents or representatives or principals, that such Member has given all lawfully required privacy notices and opt-out rights to any individuals, including such Member's respective seller or buyer clients, whose personal information, as defined in the California Consumer Privacy Act ("CCPA"), may be submitted or included in the MLS or otherwise shared through or included in the MLS Data or otherwise in connection with the MLS. The BAREIS standard form Consumer Privacy Act Advisory, as approved by the Board from time to time, may be used to satisfy the notice requirements set forth in this Rule 16, but if an alternate document is used, it must show that all required privacy notices and opt-out rights have been given. All Members shall comply with the notice requirements in this Rule 16 regardless of whether they are considered a "business" or "third party" or otherwise under the CCPA. BAREIS shall have the right to demand, at any time and for any reason, a copy of such privacy notice or a written verification that such lawfully required privacy notice and opt-out opportunity and related rights have been given. If a Member fails to provide the documentation requested by BAREIS within one day after such request, BAREIS shall have the right to immediately withdraw any listings from the MLS Data in addition to disciplining the Member in accordance with Rule 17 or exercising any other right or remedy available to BAREIS under these Rules.

In the event BAREIS receives a consumer opt-out or deletion request, or any other request by a consumer in connection with exercising his or her data privacy rights under the CCPA, BAREIS reserves the right, in its discretion, to remove or delete such personal information (or to otherwise accommodate such request) in connection with satisfying or complying with the CCPA. However, BAREIS may not be obligated to comply with such requests under the CCPA and, accordingly, reserves the right to reject any such request that BAREIS determines to be unfounded or not required.

17.1.3 Board-Initiated Hearing.

If any Member commits three violations within a 12-month period that result in either fines or warnings requiring corrections, the Board may, at its discretion, direct the Grievance Committee to review the Member's record of fines and warnings, which may result in a disciplinary hearing for further action. If a Subscriber, who is under the supervision of a single Participant, commits four violations within a 12-month period that results in either fines or warnings requiring corrections, the Board may, at its discretion, direct the Grievance Committee to initiate a review of the Participant's record of fines and warnings, which may result in a disciplinary hearing for further action. - (b) The Member shall be given an opportunity to be heard, either orally or in writing, at least five Days before the effective date of the proposed Expulsion or Suspension. The Member shall be heard orally, or the written statement considered, by the Board or by a committee or Person authorized by the Board to determine whether the Expulsion or Suspension should take place.

- (c) The Board, or the committee or Person authorized by the Board to make such a determination, shall decide whether or not the Member should be expelled or suspended. The decision of the Board, or the committee or Person authorized by the Board to make such a determination, shall be final.

17.4.3 Limitations on Challenges.

Any action challenging a Termination or Suspension of Membership, including Termination by reason of Expulsion, or a claim alleging defective notice, shall be commenced within one year after the date of the Suspension or Termination.

17.5 Mandatory Arbitration.

By becoming and remaining a Member in BAREIS, each Member agrees to submit to binding arbitration disputes arising out of real estate business, or in conjunction with any listing set forth in the MLS Data, or any appraisal, with (a) any other Participant or Subscriber of BAREIS, or (b) participants and subscribers of any other MLS who are authorized to have access to the MLS Data under Rule 8, or (c) a Client arising out of an agency relationship with the Member, if the Client elects to arbitrate the dispute and agrees to be bound by the arbitration award. Such arbitrations shall be governed by the *California Code of Ethics and Arbitration Manual*, as from time to time amended, which is hereby incorporated by reference. This shall be deemed an arbitration agreement within the meaning of Part 3, Title 9, of the California Code of Civil Procedure. Failure to submit to arbitration as provided herein shall be a violation of these Rules.

17.5.1 Other Arbitration Agreements.

Notwithstanding any other provision of these Rules, if any Participant or Subscriber enters into an agreement (either before or after a dispute arises) with another Participant or Subscriber to arbitrate a dispute utilizing non-BAREIS facilities, such Persons are not bound to arbitrate the dispute covered by such agreement under these Rules utilizing BAREIS facilities.

For purposes of this Rule 17.5, the duty to arbitrate shall be determined according to when facts giving rise to the dispute occurred. Therefore, a Participant or Subscriber shall have a duty to arbitrate if such Person was a BAREIS Participant or Subscriber while facts giving rise to the dispute occurred. Termination of BAREIS participation or subscription shall not relieve the arbitration duty under this Rule 17.5.3 for disputes that arose when the Person was a BAREIS Participant or Subscriber. Requests for arbitration shall be filed within 180 Days after the closing of the transaction, or after the facts constituting the matters in dispute could have been known in the exercise of reasonable diligence, whichever is later.

In the event a breach of contract proceeding is brought by BAREIS under this Section 17.6, the prevailing party shall be entitled to recover its reasonable attorneys' fees and expenses as well as its costs related to such proceeding.

BAREIS EXHIBIT B WARNINGS, CITATION, AND APPEALS POLICY

This “Citation and Appeals Policy” is implemented pursuant to the Bay Area Real Estate Information Services, Inc. (“BAREIS”), MLS Rules, Rule 16, “Violations of Rules and Disputes,” and covers the violations outlined in Exhibit A-2, “Citations for Rules Violations.” The Citations may be amended at any time and from time to time by the Board. The Listing Broker and any Co-Listing Broker are equally responsible for violations of these Rules.

Process

1. Warnings

Certain violations or repeat violations are not subject to a warning or may be subject to immediate citation, as set forth in EXHIBIT A2. For violations of Rules that are subject to a warning, the Member shall be given the warning to correct the violation by phone call or email contact. If a Subscriber has repeat violations of Rules that are subject to a warning, the Subscriber’s supervising Participant shall receive notice of the third repeat violation by phone call or email contact. Any Member who, within a 12-month period, has been warned four times with the opportunity to correct for violations of Rules that are subject to a warning, shall receive an automatic fine for the fifth and subsequent violations within such 12-month period.

2. Citations

If a Member fails to correct a violation of these Rules that is subject to a warning within the time allotted in the warning, the citation for the offense shall be issued and shall become due and payable.

3. Citation Payment

If the Member fails to pay the citation (fine) within a 30-day period of invoice, a delinquency fee shall be assessed, and a delinquent notice shall be sent. If the total balance is not paid within 15 Days of the delinquent notice, BAREIS membership and MLS Privileges shall be suspended for that Member, in accordance with Rule 6.2.

4. Member Request for Appeal

Pursuant to Rule 17.1, “Citations,” a BAREIS Member may request an appeal for a Rules violation citation to the Rules Committee of the BAREIS Board of Directors (the “Board”). If the Member desires to appeal the citation, the Member shall pay the citation and administration fee, complete the MLS Rules Tutorial Course and Quiz and provide documentation together with a letter explaining why the fine was incorrectly levied. The request for appeal must be received by BAREIS within 14 Days of the notice of citation letter date (date postmarked or date of notification by electronic mail, facsimile transmission, or agent notice).

5. Member-Requested Appeal Hearing

If a Member timely makes a complete request, including payment of any required administration fees, to appeal the decision of the Rules Committee, as provided by Paragraph 4 of this Exhibit B, the Member shall be entitled to a final hearing by an Appeals Panel of the Board, which Appeals Panel shall consist of three Members of the Board, who shall be appointed by and who shall serve at the pleasure of the Chair of the Board. At the sole discretion of the Appeals Panel, the Appeals Panel may either hear the appeal by reviewing documentation only or request the Personal appearance of the appealing Member. The decision of any two Members of the Appeals Panel shall be final.

6. Board-Initiated Hearing

If any Member commits three violations within a 12-month period that result in either fines or warnings requiring corrections, the Board may, at its discretion, direct the Grievance Committee to review the Member's record of fines and warnings, which may result in a disciplinary hearing for further action. If a Subscriber who is under the supervision of a single Participant commits four violations within a 12-month period that results in either fines or warnings requiring corrections, the Board may, at its discretion, direct the Grievance Committee to review the Participant's record of fines and warnings, which may result in a disciplinary hearing for further action (See Rules 17.4.2(b) and 17.4.2 (c)).
